## Forward

It has been interesting to trace the footsteps of the students who tread the halls of LHS, reliving for a moment the good times... the hard work... the happy years.

The desire foremost in our mind was to produce a year-book unsurpassed by any you have ever received. The 1957 Lion staff wanted to give you a book full of memories that will increase in value with every day and every year that passes.

Hendell Hain  
Editor

Dear Mr. Murdaugh,

The students of GH5 could not begin to enumerate the many things you have done for us. Your untiring work on "Lions Roar," the junior-senior, senior play, assembly programs and half-time activities at our football games - to name only a few - will not soon be forgotten."

A teacher, so devoted to the profession and so understanding of those he teaches, could not help but be a favorite of the students.

We've been wanting to offer a big and heartfelt "thanks" for a long time now, so it is with pride and affection that we dedicate the 1957 Lion to you.

Sincerely,  
The 1957 Lion Staff

Bill Krueke and  
good luck always!

George Zimmerman

"For when the one great  
Scorer comes to write  
against your name,

"He marks not that you  
won or lost but how you  
played the game."

"The brushes of learning paint the picture of success."

"Those who enter its  
door leave with a greater  
knowledge."

We, the students,  
appreciate the admin-  
istration and faculty  
for their keen under-  
standing and helpful  
guidance. They are  
not only teachers,  
but friends and a  
part of the spirit  
of G.H.S.

"The National Honor Society was started to stimulate scholarship in the secondary schools of the country, and to endeavor to place secondary education on higher levels... Every student in G. H. Naturally, one of the main points to consider in the selection of members for N. H. S. is SCHOLARSHIP. These students have maintained straight "A" report cards during their high school careers.

Another admirable trait in a young person is SERVICE for his school and for others. Members of N. H. S. demonstrate their willingness to serve by tutoring fellow students.

These students are representative of the LEADERSHIP in G. H. S. Each one is currently serving as president of one of our major school organizations.

An individual is not well rounded without a strong CHARACTER. Love of school, love of country, and love of God are necessary to complete an ideal personality.
